# MESSAGE FROM ROBIN KING

CHIEF EXECUTIVE OFFICER, NAVY SEAL FOUNDATION

Bravo Zulu!

As you may know, that's a traditional Navy way to say, "Well done!" And whether you're part of the Navy SEAL Foundation as a donor, a volunteer, or a member of our staff, my message to you is "Bravo Zulu for your accomplishments in 2017!" If you're a member of the Naval Special Warfare (NSW) community, thank you for allowing us to serve you. You carry a heavy burden and make tremendous sacrifices, and it is our mission to make that weight easier for you to bear.

And if you're an interested friend wanting to know more about the Foundation and the amazing men, women, and families we serve, welcome!

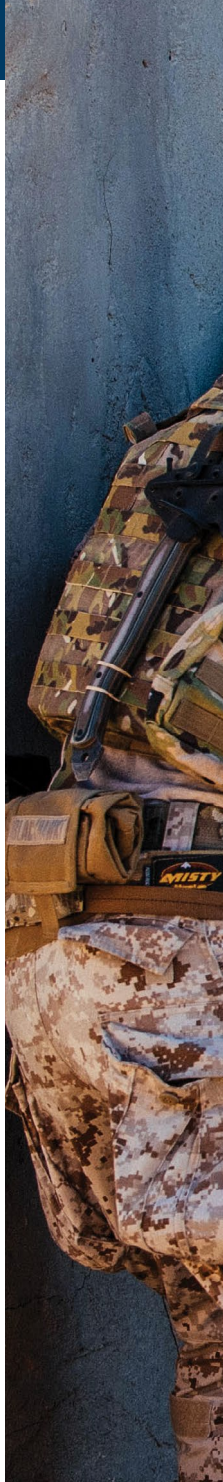

In this Annual Report, you'll learn how, in 2017, the Foundation invested more than 14.5 million dollars in support for NSW warriors and families. From emergency assistance to scholarships, to programs which help to transition warriors and veterans, to preserving the heroic legacy of SEALs and the NSW community, the generosity of our donors and partners and the hard work of our staff and volunteers made 2017 a landmark year for the Foundation.

Like the warriors we serve, the Foundation strives to observe at all times the highest standards of integrity and honor. I am proud to report that earlier this year, Charity Navigator named the Foundation a "Four-Star Charity" for the seventh year in a row. For the third consecutive year, we also received a perfect score of 100 in their rating system. Only a very small percentage of the thousands of organizations Charity Navigator reviews achieve a perfect score or a four-star rating even once. That the Foundation has maintained this standard for so many years is proof of how seriously we take our commitment to our fiscal responsibility and the NSW community.

Thank you for sharing that commitment with us. We are proud to stand shoulder-to-shoulder with you. As the NSW community's unprecedented operational pace extends into 2018 and beyond, they can count on us to be there for them. That's because you have helped us create a network that is not only prepared to meet their immediate needs, but will also be there for the long haul — able to uphold and support them, their families, and their survivors for however long that support is required. They deserve no less.

Sincerely,

A handwritten signature in black ink that reads "Robin King". The signature is written in a cursive, flowing style.

## OUR MISSION

THE NAVY SEAL FOUNDATION PROVIDES IMMEDIATE AND ONGOING SUPPORT AND ASSISTANCE TO THE NAVAL SPECIAL WARFARE COMMUNITY AND ITS FAMILIES.

# MESSAGE FROM RADM (RET.) GARRY J. BONELLI, USN

CHAIRMAN, NAVY SEAL FOUNDATION

In a world that is more interconnected, complex, and often chaotic, U.S. Navy SEALs, our Nation's elite fighting force, and the men and women of Naval Special Warfare (NSW) are a constant: a force our Nation and its leaders can always rely on. The same is true of the Navy SEAL Foundation. Now approaching our 20th year of service, our Foundation remains focused on our mission of providing immediate and ongoing support and assistance to SEALs, Special Warfare Combatant-Craft Crewmen (SWCC), other mission specialists, and their families.

In this Annual Report, you will see how, with your steadfast support, the Foundation carried out its mission during 2017 — and how, again thanks to your support, we are well-positioned to respond to future mission requirements and challenges.

Foundation programs are designed to meet specific needs of the NSW community, and to be complementary to, not duplicative of, benefits and services provided by the U.S. Departments of Defense and Navy. Built into all our plans and programs is a recognition of the need to remain flexible. This focus on adaptability, sustainability, and practicality — one that mirrors that of the elite warriors we serve — allows the Foundation to respond quickly to help warriors and families navigate and overcome the unique stresses posed by their heroic calling of “service before self.”

If you are a member of the NSW community — active-duty, retired SEAL or SWCC, or a family member, or a Gold Star Family member — it is our honor to serve you. And if you are a Foundation supporter, volunteer, or donor who has chosen to stand with our SEALs, and stand up for them, as they carry out their vital no-fail missions at the tip of our Nation's spear, you have my sincerest respect, appreciation, and gratitude. This Annual Report is a testimony to the power of your partnership with our SEALs, other mission specialists and their families.

Very respectfully,

A handwritten signature in black ink that reads "Garry J. Bonelli". The signature is written in a cursive, professional style.

*Chairman, Board of Directors*

“IN TIMES OF WAR OR UNCERTAINTY  
THERE IS A SPECIAL BREED OF WARRIOR

ADVERSITY, HE STANDS ALONGSIDE  
AMERICA’S FINEST SPECIAL OPERATIONS  
FORCES TO SERVE HIS COUNTRY, THE  
AMERICAN PEOPLE, AND PROTECT THEIR  
WAY OF LIFE. I AM THAT MAN.”

—EXCERPT FROM THE NAVY SEAL ETHOS

# OUR AREAS OF SUPPORT

Today our world is a safer place thanks to U.S. Navy SEALs and the Naval Special Warfare (NSW) community, but not without significant sacrifices from them and their families. There is the sacrifice of time as loved ones are often apart due to training and deployment; the sacrifice of guaranteed safety for those risking their lives to do their jobs; and, at times, the ultimate sacrifice—the loss of life during training or war.

The Navy SEAL Foundation is focused on preservation of the NSW force and their families. Our programs are thoughtfully designed to address the unique needs of this dynamic community and fall under five areas: Warrior and Family Support, Educational Opportunities, Tragedy Assistance and Survivor Support, Warrior Transition, and Legacy Preservation. We continually develop, evaluate, and refine our program offerings, ensuring those we serve are receiving the best assistance and care possible so they can accomplish their missions, both abroad and at home.

## WARRIOR AND FAMILY SUPPORT

We are honored to support active-duty NSW service members and their families, SEAL and SWCC veterans, and all NSW Commands regardless of geographic location.

## EDUCATIONAL OPPORTUNITIES

Education is an integral part of an empowered life. We are proud to support the educational pursuits and professional development of the NSW community.

## TRAGEDY ASSISTANCE AND SURVIVOR SUPPORT

We are honored to provide a wide range of programs and services to those NSW warriors and families who have sustained injuries, illnesses or catastrophic loss. It is our mission to help in their time of need.

## WARRIOR TRANSITION

The transition from active-duty service to life in the private-sector is challenging, and that is why we work to provide extraordinary opportunities and connection points for the NSW community as they navigate this evolution.

## LEGACY PRESERVATION

The warriors of the NSW community deserve to be remembered and recognized for their tremendous contributions to our Nation's safety and freedom. We will never forget.

## GRATITUDE

*"A belated but enduring "thank you" is in order for the massive positive impact your organization has had on our family. From summers at camp for the three kids to academic financial assistance for my wife, to support for my own transition through your programs, we are incredibly appreciative."*

**—AN ACTIVE-DUTY SEAL**

# WARRIOR AND FAMILY SUPPORT

*“We are amongst some of the greatest families I’ve ever known; built by selfless men, resilient kids, and extraordinary wives. NSF’s summer camp provides our children with this special and unique opportunity to be surrounded by their tribe, and it’s a place where friends become family for these young ones. Thank you.”*

—SEAL SPOUSE

The Navy SEAL Foundation’s Warrior and Family Support programs ensure the NSW community and its families have comprehensive support before, during, and after the intense training cycles and combat deployments inherent to life in NSW.

We are honored to provide resiliency and morale-building events, special dinners and reintegration functions, enriching summer camps for NSW children, NSW Command all-calls, SEAL/SWCC graduations, NSW Command family days, holiday celebrations and much more for these deserving service members and their families.

# EDUCATIONAL OPPORTUNITIES

Scholarships for the warriors and families of Naval Special Warfare were the very first program the Foundation provided back in 2000. Since that time, we have never forgotten that access to exceptional education is a cornerstone of success. The ability for NSW families to provide quality instruction for their children, even when stationed in remote locations where choices are limited, can make all the difference in the world for a student.

Each year, the Navy SEAL Foundation provides millions of dollars in educational support through our bi-annual scholarships, tuition assistance program, remote duty station grants, and test preparation funding.

*"I wanted to thank you for giving me the opportunity to explore my own interests. I am 11 years into the NSW life, and while there is so much good in this community, maintaining my own identity has been challenging at times. I have always loved and supported my husband's work, but I crave my own identity--I'm more than just a 'team wife.' So from a mom of two little girls, thank you for giving me something that is my own. Each day when I put them both down for naps and I open up my computer and start learning, I get so much joy. Thank you for doing that for me and so many others. You all are so good to us. Know that it really makes what can be a challenging life, so much better."*

# TRAGEDY ASSISTANCE AND SURVIVOR SUPPORT

The Naval Special Warfare community is intimately familiar with the meaning of sacrifice. Their work is inherently dangerous, and their enemies are unconventional and numerous. To be effective, they must train as they fight and their training is constant and intense.

If a NSW service member or a member of their immediate family becomes critically ill or is injured, the Navy SEAL Foundation steps in and provides logistical and financial support. Additionally, we provide support for NSW service members who experience the loss of a parent, sibling or child.

When an active-duty NSW service member passes away, the Navy SEAL Foundation provides the surviving family with immediate financial assistance to offset any unexpected expenses. We help cover costs associated with memorial services and receptions, and we provide the service member's command with additional resources.

Long-term support, including mortgage and rent assistance, home maintenance funds, a variety of counseling services, and supplemental childcare, is also provided to the families of the Fallen. We are honored to continue our care of NSW Gold Star and Surviving Family members in the years following their loss through specialized camps, retreats, and events that foster resilience and healing.

The Navy SEAL Foundation's Veterans Crisis Assistance Program provides financial assistance to SEAL and SWCC Veterans who are in need of help. We also offer this support to surviving family members should a SEAL or SWCC veteran pass away.

**Our commitment to the NSW community is unwavering.**

*"The Navy SEAL Foundation immediately stepped in and began to help, often foreseeing what we needed before we even knew we needed it. Like the community they support, they worked quietly and professionally around the clock to take care of so many of the logistics of our son's service across the country at Arlington National Cemetery. We can't thank them enough."*

# WARRIOR TRANSITION

When the time comes for a Naval Special Warfare warrior to separate or retire from active-duty service, we believe they should have the opportunity to physically, mentally and intellectually recalibrate before embarking on their next mission in the civilian world--whatever that mission may be.

To facilitate a smooth passage from active-duty service, the Navy SEAL Foundation has developed the multifaceted SEAL/SWCC Egress Training Transition Pipeline, also known as "SET." This program takes the 'whole warrior' approach to transition and addresses human performance, the family unit and career opportunities ensuring the best possible outcome for our transitioning NSW members.

Additionally, the Foundation partners with other world-class institutes which specialize in services related to successful warrior transition and we facilitate events where former SEALs can interact with their past teammates ensuring they never lose touch with their community.

Navy SEAL Foundation transition programs are available to members of the NSW community who are within 12-18 months of terminal leave and to our SEAL and SWCC veterans.

*"Thank you for everything you have done and continue to do for our family. The retreats you provide have strengthened our marriage, the wellness program has helped me stay strong and healthy through multiple deployments, and now you are helping me achieve my career goals. I cannot thank you enough for all that you do for the NSW community."*

# LEGACY PRESERVATION

The history and heritage of the Naval Special Warfare community is one of extraordinary achievements and exceptional courage. Although the clandestine nature of their activities shields them from public attention, the deeds of these warriors deserve to be remembered and recognized.

The Navy SEAL Foundation is honored to provide financial support for memorials and monuments across the country. We also support many other history enrichment activities.

The warriors of the NSW community deserve to be remembered and recognized for their contributions in defense of America's freedom. We are proud to take an active role in preserving the rich history of these extraordinary men.

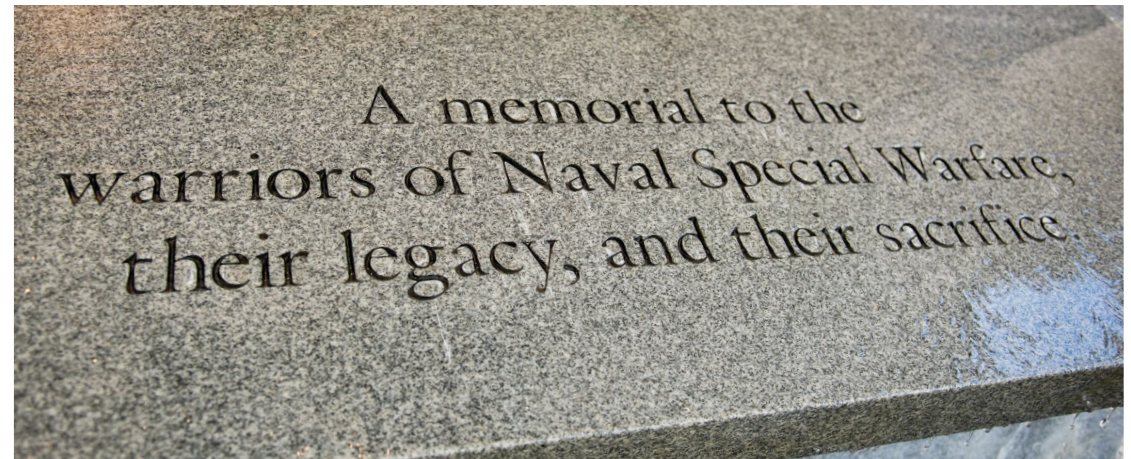

*"What we do now echoes in eternity."*

# EFFECTIVE. EFFICIENT. ACCOUNTABLE.

The Navy SEAL Foundation takes transparency and efficiency very seriously. Each year we are independently audited by RSM US LLP, one of the United States' leading audit firms which has its own rich history of integrity and due diligence. Our key financials, including IRS filings, are available by request or by visiting our website: [navySEALfoundation.org](http://navySEALfoundation.org). We want our donors, supporters, and partners to know exactly how their contributions are being used to meet our mission of service to the NSW community. We know how important it is to share our programmatic outcomes and the impact that our collective efforts make on the extraordinary community we support.

Since 2011, the Navy SEAL Foundation has maintained the highest four-out-of-four star rating from Charity Navigator, the number one charity evaluation organization in America. Their staff carefully analyzes the financial efficiency and administrative accountability of over 9,000 nonprofit organizations and reports their findings at [charitynavigator.org](http://charitynavigator.org). We are proud to report that for the past three years, NSF has also earned a perfect 100 score from them--one of only 60 charities to do so! NSF is also certified as a "Best In America" charity and we are a Platinum Level member of the Guidestar Exchange.

In 2017, for every dollar donated to the Foundation, 94 cents went directly to programs in support of the Naval Special Warfare (NSW) community or was retained for future mission initiatives, including our commitments to surviving families. This year we invested \$14.5 million in program support activities.

A volunteer Board of Directors comprised of former U.S. Navy SEALs and community members, governs the Navy SEAL Foundation. We are honored to have Retired Rear Admiral (SEAL) Garry J. Bonelli as our Board Chair. The Foundation executes its daily mission under the leadership and guidance of Robin R. King, Chief Executive Officer.

**“FOR ANYONE WHO IS THINKING ABOUT SUPPORTING THE NAVY SEAL FOUNDATION, I WOULD SAY IN THE STRONGEST TERMS THAT THIS IS TRULY ONE OF THOSE TIMES WHERE SUPPORTING A CHARITABLE CAUSE WILL YIELD MORE IN RETURN THAN YOU GIVE. THE PEOPLE THAT YOU ARE SUPPORTING ARE OF THE HIGHEST CALIBER, AND THAT INCLUDES NOT ONLY THE WARRIORS THAT WE ALL SEE AND READ ABOUT ON A DAILY BASIS, BUT MORE IMPORTANTLY THE FAMILIES WHO ULTIMATELY MAKE, IN MANY WAYS, A LARGER SACRIFICE.”**
