In Memoriam25

“In times of war or uncertainty there is a special breed of warrior ready to answer our Nation’s call. A common man with uncommon desire to succeed. Forged by adversity, he stands alongside America’s finest special operations forces to serve his country, the American people, and protect their way of life. I am that man.”

- Excerpt from the Navy SEAL Ethos

OUR MISSION:

The mission of the Navy SEAL Foundation is to provide immediate and ongoing support and assistance to the Naval Special Warfare community and their families.

A MESSAGE FROM ROBIN KING

The global war on terror is ever-changing yet it continues to burden our nation's Special Operations Forces, including the Naval Special Warfare (NSW) community and our U. S. Navy SEALs. No matter the challenge, the Navy SEAL Foundation has been, and will remain, the quick reaction force that stands ready to assist these elite warriors wherever and whenever we are needed.

Honoring our warriors and supporting their families is our mission. When you support the Navy SEAL Foundation you become a critical component of this mission. The shared values of commitment, responsiveness, integrity, strength, and honor are what drive us to do the very best that we can for those we serve. The Navy SEAL Foundation maintains a comprehensive set of programs specifically designed to improve health and welfare, build and enhance resiliency, empower and educate, and provide critical support during times of illness, injury, or loss. We work to provide access to positive solutions for the unique stressors, uncertainties, and pressures that come with life in Naval Special Warfare.

The Navy SEAL Foundation continues to be committed to fiscal accountability and transparency. For the fourth year in a row, the Foundation has been awarded the coveted four out of four-star rating from Charity Navigator, the top watchdog of all benevolent organizations. We take seriously our fiscal responsibilities, just as we do our mission to provide critical programs and support to the NSW community and their families.

Just as our U.S. Navy SEALs will continue to take the fight to enemies across the globe, the Navy SEAL Foundation will continue to support these warriors and their families no matter the need. The trust of not only the NSW community, but also our donors is of utmost importance. We thank all of you for this intrepid trust and support.

With warm regards and respect,

CHIEF EXECUTIVE OFFICER, NAVY SEAL FOUNDATION

A MESSAGE FROM RETIRED REAR ADMIRAL GARRY J. BONELLI, USN

The Navy SEAL Foundation is now and has always been all about “Honoring our Warriors” and “Supporting their Families.” 2014 marked the Foundation’s 14th year of providing immediate and ongoing support and assistance to U.S. Navy SEALs, Special Warfare Combatant-craft Crewmen (SWCC), mission specialists, and family members of the Naval Special Warfare (NSW) community. And just as this tenacious community endures, overcomes, and succeeds, our Foundation will remain shoulder-to-shoulder with them.

The Foundation’s goal is to provide a network of resources that is purposeful and easily accessible for the NSW force and their families. We create pathways with our laser focused programs while leveraging the experiences and resources of other reputable non-profits who are experts in their respective endeavors.

Our programs are designed to be complementary to the benefits and services provided by the Department of the Navy and the Department of Defense. Before engagement, all direct support and program offerings are thoughtfully considered. The Foundation’s programs are directly related to specific areas of need created by the stresses of life in NSW.

With your support, we help create the ability for NSW men, women, children, and survivors to stand strong on their own, knowing we stand behind them. We take steps to ensure the programs created are not only needed, but also sustainable. The Foundation is positioned to exist for the long haul. Our programs are created through extensive analyses; and we are committed to providing each one as long as needed.

Always remember, the men and women of Naval Special Warfare remain in the forefront of the fight against an ever morphing transnational terrorist threat. Tomorrow’s fight will not look like the fight of today. The only certainty is that SEALs, SWCC, and mission specialists will remain deployed on foreign shores to protect and defend our Nation’s freedoms. Their mantra is “You have to be there to make a difference.”

Because of your generous support, the Navy SEAL Foundation is able to sustain its commitment to the NSW community, their families, and the families of our fallen and injured. You allow our Foundation to make critical programs an ongoing reality for our Nation’s elite warrior community. “Your support makes a difference.”

Very respectfully,

A handwritten signature in black ink that reads "Garry J. Bonelli".

CHAIRMAN, NAVY SEAL FOUNDATION

WARRIOR SUPPORT AND FAMILY SERVICES

Ensuring the NSW community and their families have the support they need in times of achievement and adversity is of the utmost importance to the Navy SEAL Foundation. Our warrior and family support programs include resiliency and morale-building events, pre and post-deployment retreats, specialized camps for children, command all-calls, military graduations, family days, holiday celebrations and much more. The Foundation has also partnered with world-class academic institutions and other exceptional non-profits to assist NSW combat veterans and their families transition as they exit the military and begin a new chapter of their lives.

A NOTE OF GRATITUDE

“I am truly grateful that the Navy SEAL Foundation provides a specialized summer camp experience for our young son. This was his second year attending and he had a wonderful time, seeing old friends, making new ones and bonding through fun and challenging activities. Life in NSW can be hard and the Foundation has created a place for these children to come together and celebrate the fact that they are different, that they are a part of something bigger than themselves, that they have their own ‘brotherhood’ and ‘sisterhood’ and that they are loved for it. Thank you so much.”

EDUCATIONAL OPPORTUNITIES

The Navy SEAL Foundation empowers active-duty Naval Special Warfare (NSW) personnel, their spouses, and children by awarding scholarships for continued education - whether for graduate school, bachelor's and associate's degrees, or trade school programs. The Foundation's tuition assistance program also provides active-duty personnel with the resources to offset costs associated with the expense of pursuing higher education. Additionally, we provide funding for standardized college entrance exams for active-duty NSW service members and their dependents.

Quality education is an important factor at all ages, especially in the lives of the youth who will one day lead this great nation. Because of this, the Foundation makes available private school and tutoring grants for the children of NSW families located at arduous duty stations where quality educational choices can be limited.

A NOTE OF GRATITUDE

"I would like to take this opportunity to thank the Navy SEAL Foundation Executive Board and Scholarship Committee for awarding me such a generous scholarship. I am truly honored and humbled to receive such substantial support from the SEAL Community. I appreciate it not only as a source of support but a strong affirmation of the strong bonds of brotherhood and care for families that my dad often talks about."

“Our progress as a nation can be no swifter than our progress in education. The human mind is our fundamental resource.”

~ John F. Kennedy

TRAGEDY ASSISTANCE AND SURVIVOR SUPPORT

If a service or family member is injured or becomes critically ill, the Navy SEAL Foundation provides financial and logistical support so their family can focus on helping their loved one heal. We also provide support for the warrior who suffers the loss of a parent or sibling. It is our goal to create a bridge for critical resources not already provided by the government during these challenging times.

When the ultimate sacrifice is made, the Navy SEAL Foundation stands firmly behind the warrior's family during their time of crisis. Immediate financial assistance is provided to the surviving family to help cover costs associated with the dignified transfer of remains and memorial services, as well as travel expenses for immediate and extended family.

No matter the transformative life event, the Navy SEAL Foundation is always there for our Naval Special Warfare community. Surviving families are offered a variety of vital services for children, spouses, and parents of fallen warriors in their time of need and into the future. We provide housing assistance, home maintenance programs, financial counseling, grief counseling, legal assistance, respite childcare, and other critical services.

The Foundation supports these surviving families for many years following their loss through continued services and activities.

A NOTE OF GRATITUDE

"Thank you for the beautiful flowers that were so colorful and beautifully arranged.

Thank you for your words of encouragement as we are reminded 'All gave some, some gave all'?"

“The Navy SEAL Foundation is focused on comprehensive care that evolves over time to meet the needs of our community as they occur. We are here to offer a lifetime of support.”

WARRIOR TRANSITION

The Navy SEAL Foundation is committed to maintaining a resilient, sustainable, and healthy force into perpetuity. At the same time, our commitment extends to those who have served our country with honor and distinction helping them transition as they begin a new chapter of their life. To carry forward this commitment, we are partnering with world-class institutions to provide elite transition programs tailored for the NSW community.

We realized that NSW personnel are receptive to a transition program that coincides with their skill set, experience level, and competitive nature. Special Operations Forces have been shaping the corporate environment around them for many years. Now, with the support of the Navy SEAL Foundation, operators and support personnel will be given the tools to adapt and refine their battlefield mission focused skills to be successful in today's business world.

A NOTE OF GRATITUDE

“I feel empowered knowing that when the time comes for me to move from active duty service to work in the civilian sector, the Navy SEAL Foundation’s transition program will be there to help guide me through the process. Thank you.”

LEGACY PRESERVATION

The Navy SEAL Foundation takes an active role in ensuring the elite warriors of the Naval Special Warfare community are remembered and recognized for their contributions in the defense of America's freedoms. In this role, the Foundation:

- Provides financial support for memorials, bridge dedications, and monuments across the country
- Captures the stories of our warrior families for future generations
- Serves as the co-publisher of "The Blast: Journal of Naval Special Warfare"
- Supports other history enrichment activities

"Brave men have fought and died building the proud tradition and feared reputation that I am bound to uphold. In the worst of conditions, the legacy of my teammates steadies my resolve and silently guides my every deed. I will not fail!"

- Excerpt from the Navy SEAL Ethos

FUNDRAISING EFFICIENCY

- In 2014, 95 cents of every dollar donated went directly to current or future mission use—an increase in efficiency over last year by 3 cents per dollar!
- Our program ratio is 92%, which means that only 8% of total expenses were used for anything besides program costs.
- In 2014, the Foundation's administration costs were only 6.1% of our total expenses demonstrating our commitment to efficiency in all areas.
- It cost the Navy SEAL Foundation \$0.012 to raise \$1.00 in 2014, indicating a fundraising efficiency of 1.2%.

EFFECTIVE. EFFICIENT. ACCOUNTABLE.

In 2014, for every dollar donated to the Foundation, 95 cents went directly to programs in support of the Naval Special Warfare (NSW) community or was retained for future mission initiatives, including commitments to surviving families.

We take transparency and efficiency very seriously. The Foundation is audited each year by the nation's 5th largest accounting firm which has a rich history of integrity and due diligence. Our key financials, including IRS filings, are available at your request or by visiting www.navySEALfoundation.org. It is of utmost importance for our partners and donors to know how their contributions are being used to serve the NSW community.

In 2014, the Navy SEAL Foundation invested more than \$8.1 million in program support activities - a 50% increase over the previous year. We are proud to share that we rank among the top 8% of national benevolent organizations due to our sound fiscal management. Since 2011, the Foundation has sustained a four-out-of-four star rating from Charity Navigator, a leading watchdog organization that carefully analyzes the financial efficiency and administrative accountability of nonprofit organizations.

A volunteer Board of Directors, of whom the majority are former U. S. Navy SEALs, governs the Navy SEAL Foundation. Retired Rear Admiral (SEAL) Garry J. Bonelli chairs the Board and the Foundation executes its daily mission under the leadership and guidance of Robin R. King, Chief Executive Officer.

THE FUTURE OF THE FOUNDATION - OUR CALL TO CARRY ON

At the Navy SEAL Foundation, we strive to make each year better than the last and meet new challenges head-on. In 2015, we will continue to analyze and refine our existing programs in order to provide the most efficient and impactful assistance and support for our warriors and their families.

The Foundation's transition service offerings continue to grow. As we partner with other world-class organizations, the needs of transitioning warriors are being identified and met. Our scholarship and educational offerings continue to benefit the NSW community in far-reaching ways. The growth in use of our educational program has been significant and steady each and every year. We are also pleased that attendance at our signature children's camps continues to rise, demonstrating just how needed, important, and appreciated these camps are to the NSW community. Initiatives for surviving families have also been expanded to include sibling and caregiver support programs.

All of these critical programs are made possible by your generous support. It is because of you that we are able to sustain our commitment to the NSW community, their families, and the families of the fallen. Thank you.

THEIR SACRIFICE SHALL NEVER BE FORGOTTEN.

U.S. Navy SEALs, Special Warfare Combatant-craft Crewmen, and Naval Special Warfare support personnel voluntarily accept the inherent hazards of their profession, with full knowledge of the demands of their chosen way of life. From September 2001 through September 2015, the Naval Special Warfare community has lost many warriors during training and in combat, at home and in foreign lands. We mourn the loss of each and honor them and their families for their sacrifice.
